total bodywork Policies

By signing below, you are acknowledging that you have read, understand and agree to the total bodywork policies.

- ADJUSTMENTS ARE NOT DONE ON THE FIRST VISIT and diagnostic tests may be performed off-site.
- I authorize total bodywork to send my x-rays for an outside read, if needed. I understand that by doing this I may incur a fee in the office or with the company performing the outside read. I agree to allow the third party to bill my insurance for this service or I will pay the fee this office incurs for this service.
- I understand the insurance coverage explained to me is NOT a guarantee of benefits, and I am responsible for any amount that my insurance company does not cover.
- If we can not verify benefits on your first visit because of problems with your insurance company, examples: offices closed, their computer is down, etc, you will be responsible to pay the cash price and you will be refunded any amount due on your second visit.
- Patients are required to purchase electrodes for passive therapy at $10 per set and that each set lasts approximately 10 to 15 uses.
- I understand that if I do not have insurance coverage or my insurance does not cover chiropractic, I am responsible for the time of service discount cash prices which are as follows: Non-pregnant patients $240 (includes x-rays of 1 body region), pregnant patients $180, children $170 (approximately 7 & under)
- I understand that I am responsible for all charges incurred at total bodywork including but not limited to supplements, products, services, and the 'no-call - no-show' policy.
- We enforce a 'no-call - no-show' policy, any patient missing an appointment without calling to cancel or reschedule 24 hours prior to the appointment will be charged a $25 fee.
- Because there are many patients with headaches seen in this office, and I agree to turn my cell phone off or set it to silent when I am at total bodywork.
- I understand that I will be charged a $30 returned check fee each time a check is returned unpaid and that it may be electronically debited from my account.
- I understand that I will be charged $30 for any chargeback fees on credit card transactions.
- I understand that if I suspend or terminate my schedule of care as determined by my treating doctor, any fees for professional services will be immediately due and payable. I understand that interest is charged on overdue accounts at the annual rate of 18%.
- Payment in full is due at the time services are rendered.
- I understand that original x-ray films cannot be released and copies will be charged at a minimum of $50 for 2-films. Pictures can be taken, by you, if you request but we will need advance notice so the films can be pulled and ready for your next visit.
- If you are a Medicaid patient, please be advised that we do not accept Medicaid. You will be a private pay or cash patient and responsible for all charges incurred at this office.
- I give permission to any of the total bodywork staff to leave messages at any of the phone numbers I have listed via voicemail or whomever answers. I also give permission for any correspondence from total bodywork to be mailed to my home address or email.
- If I have not been seen in the office for over 3-months, a re-exam will be performed.
- If a letter of excuse is needed for my work/school, I should request it at the time of check-in.
